The Worldwide Scattered Brethren Network

Connecting Scattered Brethren in the U.S. and Around the World

Almost immediately following the death of Jesus’ apostles, forces of Greek philosophy and the Eastern mystery religions began to exert their influence on the first century churches of God. Those clinging to the biblical faith became fewer and fewer in number and within just a couple of centuries they were the scattered minority. Philosophy and Mysteries took root in the official church teachings of the fourth and fifth centuries, with growing persecution and death to any who would attempt to get back to the roots of the Christian faith as believed in the early first century church.

The Worldwide Scattered Brethren Network is a recent modern day effort to reach those whom God is calling back to the true faith of Jesus and his apostles, and establish a network within which meaningful organization can occur on local levels. We are not a church and don't knock on doors. We don't have pamphlets with scary looking creatures to leave on your doorstep. The original Christian faith was simply a community of biblically based believers who were not encumbered with preconceived notions which came about through official creeds of later church councils. Today, the number of those who adhere to those original beliefs are small, but growing.

What we are finding is that there are many who have always sensed something is wrong with the teachings of the established orthodox churches, but never considered there were others like them questioning these same erroneous teachings. But the fact is that there have been "scattered brethren" alive and well for centuries clinging to the biblical faith and announcing the true gospel of the coming Kingdom to whomever would listen. They have been a small voice in the wilderness of religious confusion, quietly worshipping in small groups and congregations here and there.

The following are the primary beliefs of our Worldwide Scattered Brethren Network. We believe these are consistent with the overwhelming proof of the biblical data and the faith of the early church. No doubt you will notice immediately how at odds they are with what you may have been taught:

1. God is only one "person", not a trinity of persons. He is the Father, the Creator, and has His own personal name, Yahweh. He is repeatedly called the Father and God of the lord Jesus Christ.

2. Jesus the Christ (Messiah, or Anointed One) is the Son of God, not God the Son. Jesus has a God, just like we do. Jesus is our Savior, soon coming King, High Priest, and unique human agent of the One God. According to the Bible, he was miraculously begotten and has been raised from the dead to a position at the right hand of God.

3. The holy spirit is not a person. It is the operational power and presence of God on earth and in those who believe in the biblical Jesus, his Father, and their gospel of the coming Kingdom.

4. The gospel is primarily the message of the coming Kingdom of God to this earth, and that this will occur at the hand of Jesus through whom we have forgiveness of sins. Jesus will return to usher in the government of his Father on this planet, and he himself will reign as the king for 1,000 years to bring all men to God. The saints will administer with and under him.

5. According to the Bible, when people die they do not go immediately to heaven, nor to a place of eternal punishing called "hell". Instead, all except Jesus are currently sound asleep in their graves. When Jesus returns he will raise the faithful dead from their sleep at which time they will be changed from their current carbon-based substance into human beings with "glorified" bodies. Then the rest of the dead will be raised after the initial 1,000 years of the Kingdom of God on earth are completed.

6. Old covenant laws, including laws pertaining to clean and unclean foods and certain holy days are not prerequisites of fellowship or salvation in the New Covenant Church of God.

There, now isn't that much simpler than what you have heard previously? There is no baffling "mystery" as to how many are in the "God essence" (not a biblical concept); and just straight forward talk about what God has been announcing through the prophets for thousands of years concerning the establishment of His Kingdom on this earth through His chosen Deliverer.

If you are one of those who has been confused by some of the bizarre teachings of our modern day Christian churches and denominations, you're not alone! We are here supporting each other and hope that you will come join us.

Surely the Lord Jesus will come again soon!
